

Hall Mills - 106.230 - corres poindence

-nd- FH-TPF

Found paper here said to me -

"I see you are in the papers again." I want to use violence.

I wish we could put our finger on X. I feel sure he is just a nut, but there is a chance that a tramp might have been in the lane.

There is no way of getting him unless he makes himself known, I, of course, it would not amount to anything any way.
